

Grille de réplique

50 colonies

A circular grid divided into 50 numbered cells, arranged in a spiral pattern starting from the center. The grid is 10 rows by 10 columns, with the center cell (row 5, column 5) being empty. The numbering starts at 1 in the center and proceeds in a clockwise spiral.

		1	2	3	4				
	5	6	7	8	9	10			
	11	12	13	14	15	16			
17	18	19	20	21	22	23	24		
25	26	27	28	29	30	31	32		
33	34	35	36	37	38	39	40		
	41	42	43	44	45	46			
		47	48	49	50				

Grille de réplique

100 colonies

A circular grid divided into 100 numbered cells, arranged in a spiral pattern starting from the center. The grid is 14 rows by 14 columns, with the center two cells (row 7, column 7 and row 8, column 7) being empty. The numbering starts at 1 in the center and proceeds in a clockwise spiral.
